EVENT DETAILS

CODE BOARD

Code Board is a tech-filled puzzle event where creativity, technical skills, and cleverness come together.

Team Size: 2 members per team

Round 1 : The First round of the event will feature a quiz-based round. Teams face a series of questions covering programming, CS fundamentals, and tech trivia.

Round 2 : This round remains a mystery until it begins. Teams will face a creative, fun, and tech-flavored challenge that might involve code puzzles, tech charades, reverse logic, or even hands-on building. Be ready to think fast and work smart!

Round 3 : In the final round, teams will engage in a combination of quiz and chess-based mystery game. The game will require both Technical skills and chess tactics, creating an exciting and challenging experience for the teams. Only the smartest minds will win the final game!
