## NATIONAL LEVEL TECHNICAL SYMPOSIUM CONOSCENZA- CYBERTRIX'25

### EVENT DETAILS

#### RIDDLE ME THIS

"Riddle me This" is a fun and challenging coding event where teams solve logic puzzles and coding tasks in timed rounds. It tests your problem-solving, teamwork, and quick thinking through unexpected twists and turns.

**Team Size:** 2 members per team

**Round 1 :** A competitive MCQ-based round that tests logical reasoning, programming basics, and aptitude.

**Round 2 :** Participants alternate turns to solve a coding problem. One member begins with a base hint and starts coding. After each turn, the second member answers a logic question to unlock additional hints. This continues until the solution is completed.

**Round 3 :** A mystery round blending logic, debugging, problem-solving, and chance. Tasks may include code correction, solving logic puzzles under constraints, or creative coding challenges. The exact format will only be revealed during the event.
